Terri - I wanted to follow up on this. Can you let me know who will be handling these results, when you get a minute?

Thanks,

Tennille

Hi Terri - Will Region 3 be releasing the results of the Dimock studies? Or will EPA headquarters be taking the lead on that? I cover energy issues for Dow Jones / WSJ and want to make sure I track those. ... Also, do you know whether EPA will be responding to the letter Cabot sent to Administrator Jackson?

Thanks,
